

Practice Management Software Template for MedicalDirector

QML Pathology now provides access to the Genomic Diagnostics' Generation NIPT request form within MedicalDirector, enabling all your patient and provider information to be transferred electronically to the request form.

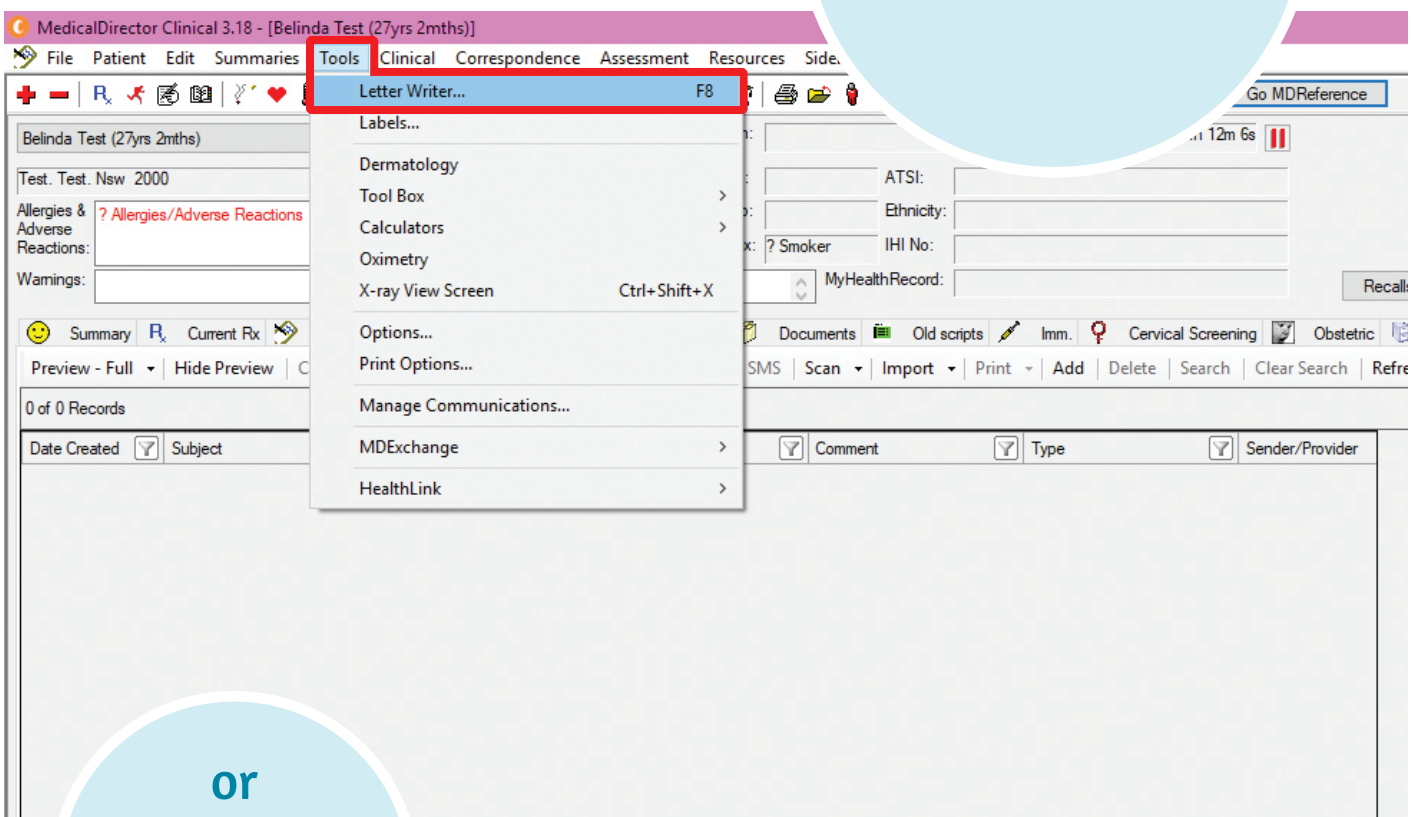

How to request Generation NIPT through MedicalDirector

To load the templates, open the patient record and complete the following steps.

Step 1 has two options depending on the version of MedicalDirector in use.

Step 1

Click on **Tools / Letter Writer**

or

Click directly
on the **Letter
Writer** icon

Step 2

Click on **File / New**

or

Click directly on
the **New** letter
icon

Step 3

Click on **Supplied /**
NIPT Generation - QML
Pathology
