

Our Genetic Counselling Partners

Genomic Diagnostics is supported by the genetic counsellors and clinical geneticists at Private Genetics WA, a Western Australian company specialising in reproductive, pregnancy and adult genetics.

Dr Jennie Slee – Clinical Geneticist

MBBS, DCH, DipRACOG, FRACP

Dr Slee has immense experience across all areas of genetics, working in the public sector and more recently in private practice. She provides consultation in conjunction with the Genetic Counselling team primarily in the reproductive and familial cancer areas.

Ms Karen Harrop – Senior Genetic Counsellor

BSc (Psych), MSocSc (Counsel), HGSA Cert Gen Couns, FHGSA

With over 20 years of experience across all areas of genetics including reproductive, adult onset, familial cancer, and paediatrics, Karen has the experience, breadth of knowledge and skills to provide a comprehensive and personalized private genetic counselling service. Karen is certified and registered by the Human Genetic Society of Australasia and supervises the Genetic Counselling team.

Ms Gabrielle Reid – Genetic Counsellor

PhD BSc GradDipGenCouns, MHGSA, PGradDipPubHlth

Gabrielle brings a wealth of experience across familial cancer, adult onset and reproductive genetics. Working in the public sector and private practice, she also coordinates the Genomics stream in the Master of Genetic Counselling program at the University of Melbourne. Gabrielle specialises in familial cancer and adult onset conditions.

Ms Cassie Greer – Genetic Counsellor

BSc, Mst Gen Couns, MHGSA

Cassie works as a genetic counsellor in the public sector as well as in private practice with specialised experience in cardiovascular disease and adult onset conditions. Cassie has worked in an Aboriginal Liaison role within Genetic Health and has a special interest in the cultural aspects of genetic counselling.
