

# Our Genetic Counselling Partners

**Genomic Diagnostics is supported by the genetic counsellors and clinical geneticists at Private Genetics WA, a Western Australian company specialising in reproductive, pregnancy and adult genetics.**

## **Dr Jennie Slee – Clinical Geneticist**

MBBS, DCH, DipRACOG, FRACP

Dr Slee has immense experience across all areas of genetics, working in the public sector and in private practice. She provides consultation in conjunction with the Genetic Counselling team primarily in familial cancer and reproductive areas.

## **Dr Cathy Kiraly-Borri - Clinical Geneticist**

MD, PhD

Dr Cathy Kiraly-Borri is an experienced clinician working in public and private genetics. With over 20 years' experience across all areas of genetic consultation, Dr Kiraly-Borri specialises in Paediatric onco-genetics and Familial Cancer. She has been integral in the development of the Paediatric and Adult High risk Surveillance WA Clinics, providing management to asymptomatic adults and children at high risk of inherited and rare cancer conditions.

## **Ms Karen Harrop – Principal Genetic Counsellor**

BSc (Psych), MSocSc (Counsel), HGSA  
Cert Gen Couns, FHGSA

With over 20 years of experience across all areas of genetics including reproductive, adult onset, familial cancer, and paediatrics, Karen has the experience, breadth of knowledge and skills to provide a comprehensive and personalised private genetic counselling service. Karen is certified and registered by the Human Genetic Society of Australasia and supervises the Genetic Counselling team.

## **Ms Gabrielle Reid – Genetic Counsellor**

PhD BSc GradDipGenCouns,  
PGradDipPubHlth, FHGSA

Gabrielle brings a wealth of experience across familial cancer and reproductive genetics. Working in private practice, Gabby also coordinates the Genomics stream in the Master of Genetic Counselling program at the University of Melbourne. Gabrielle has a special interest in working with families and teenage children undergoing predictive familial cancer.

## **Ms Cassie Greer – Genetic Counsellor**

BSc, Mst Gen Couns, MHGSA

Cassie works in the public sector as well as private practice in familial cancer, cardiovascular disease, connective tissue disorders and adult-onset conditions. Cassie collaborates and provides a specialised genetic counselling service for Cardiologists, and families at risk of genetic cardiac conditions.

## **Ms Katherine Roberts – Genetic Counsellor**

BSc, Mst Gen Couns, MHGSA

Katherine (Kat) recently graduated from the University of Sydney with a Masters in Genetic Counselling. Having worked privately as our Intake Officer for the past 2 years, Kat brings a great deal of hands-on experience in assisting individuals and families access private genetic counselling. Kat specialises in neurodegenerative genetic conditions, familial cancer, and reproductive carrier screening.
