

Practice Management Software Template for Genie

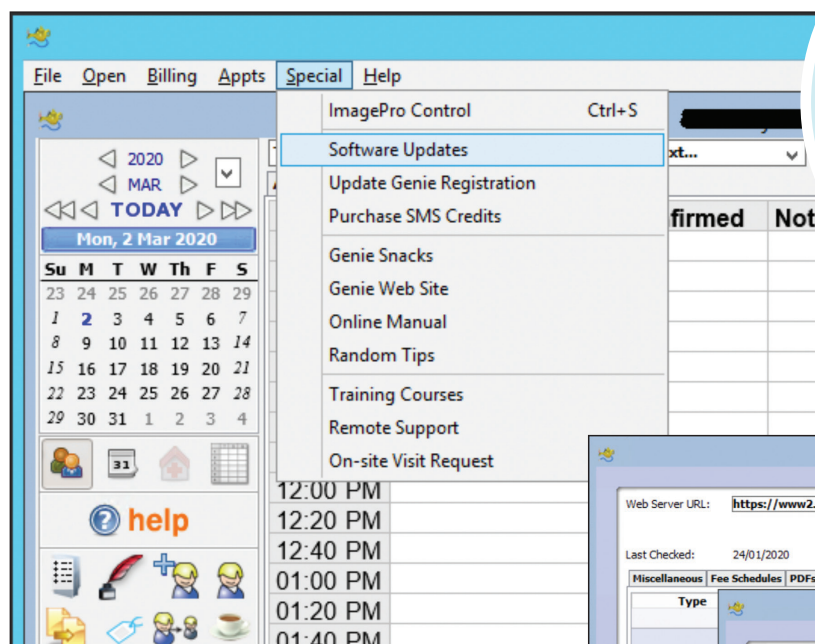

Dorevitch Pathology now provides access to the Genomic Diagnostics' Generation NIPT request form within Genie, enabling your patient and provider information to be transferred electronically to the request form.

How to request Generation NIPT through Genie

The template will need to be downloaded once before entering into the patient's file.

Step 1

Download the template via Special > Software Updates > Forms > Request > NIPT Generation > Dorevitch Pathology.

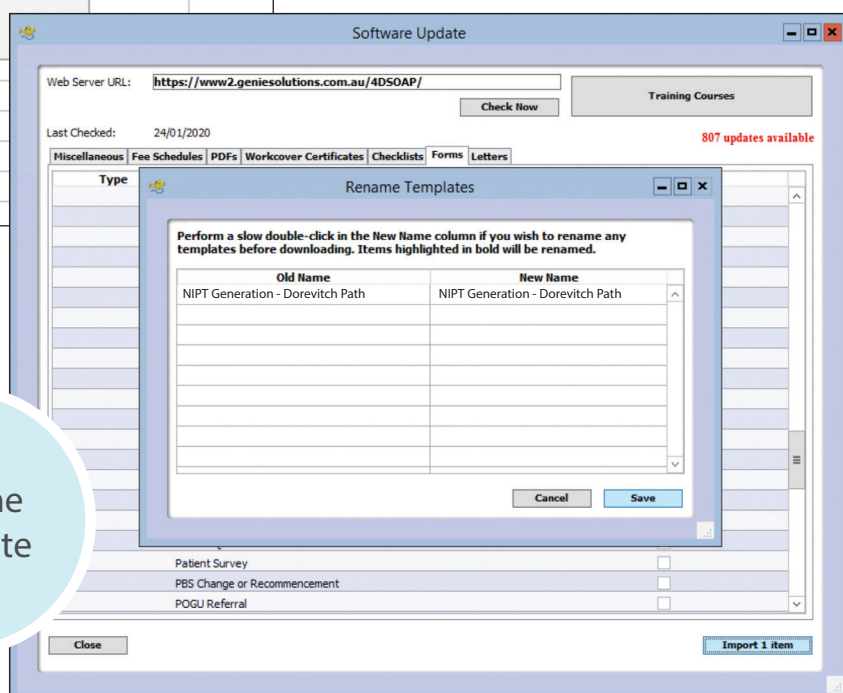

Step 1

Download Template
**Special > Software
Updates**

After importing, the template can be renamed to suit your preferences.

Rename
Template

Step 2

To use, click on the Merged Letter Icon in the patient file.

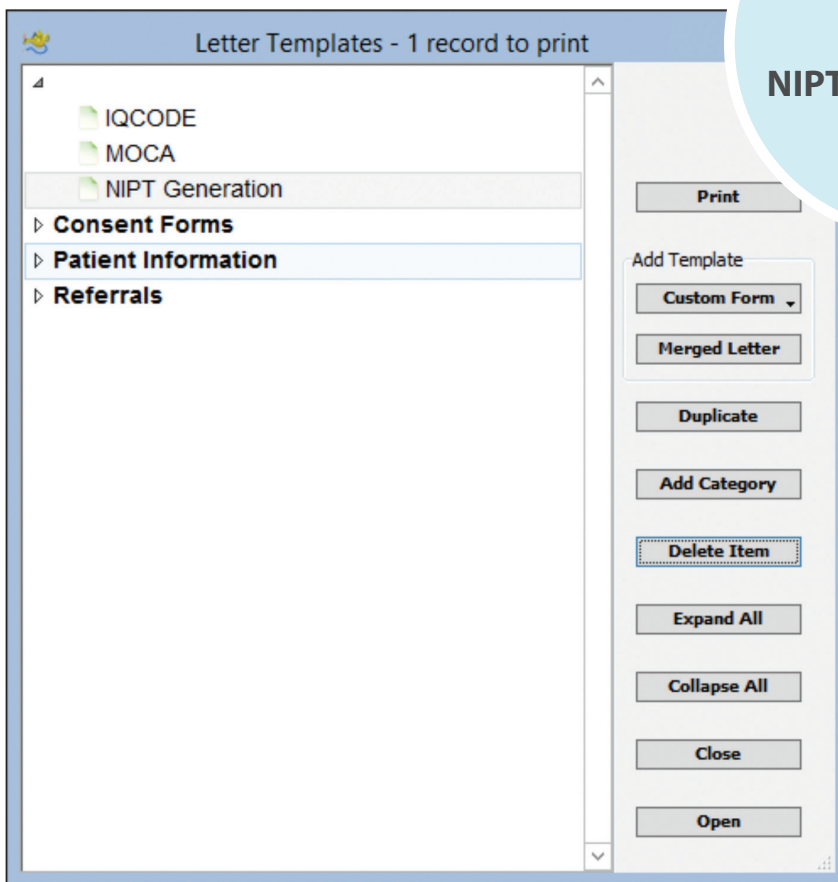

Step 2

Click
**Merged Letter
Icon**

Step 3

Select NIPT Generation then click Open.

Step 3

Select
**NIPT Generation >
Open**
